## **ABOUT ME**

Date of Birth: February 4, 2000

Age: 21

Gender: Female

# CONTACT

Anamnagar, Kathmandu9865746444

### OTHER EXPERIENCES

- Leadership: Project
   Manager (5 group
   projects), College event
   organizations
- Former member: SMS
   Environment Club, Social
   Service Club, ZONTA Club
- Current member: ASMAN

#### INTEREST AND HOBBIES

- Research
- Art
- Programming
- Photography
- Problem Solving Travelling

# SAGUN RUPAKHETI

Software Engineer

### **OBJECTIVE**

To be able to work with a motivated team for personal and technical development. Would love to work towards research purposes as I am keenly interested in finding the new.

# RESEARCH EXPERIENCE (College Projects)

- Research paper on Breast Cancer Detection Using Machine Learning (ACM format)
- Final year dissertation on Online Examination System for User Reliability and Secure Authentication (System and Documentation)

# WORK/PROJECT EXPERIENCE (College and personal projects)

- HTML and CSS: Newspaper Website
- JavaScript: Shooting game
- PHP (with MVC and ajax) with MySQL: Job Management System, Course Management System (group), Auction Management System
- Java Swing: Car game, Property Management System
- Software design and development(documentation): Zoo Management System (group), Course Management System (group), Auction Management System (personal), Online Examination System (dissertation)
- Django with SQLite: Online Examination System (dissertation), Auction
   Management System
- Django with Machine learning: Online Examination System (dissertation)
- Machine Learning: Breast Cancer Detection using Machine Learning, Facial Emotion Detection
- MATLAB: X-Ray Image Segmentation Tool
